We do urge UK members to consider paying by Standing Order. It saves having to remember to renew your subscription each year and it can be cancelled by you at any time should you feel unable to continue your membership. When completing a new **Banker's Standing Order**, please note the annual subscription starting date is **1st April** and **not** 1st January, although until you have prepared a new Standing Order Instruction Form, we will honour the previous instruction of 1st January and take your subscription through to 31st March.

Due to the high level of handling charges levied by credit card companies, we request that credit card payments are restricted to overseas members only.

Please address your payments (including the Standing Order Form if appropriate) to:
